YOUR LIBRARY LOGIN IS DIFFERENT FROM YOUR MOODLE LOGIN!!

To access the Atla database, where you will find journal articles for your Bible class go to <https://www.spst.edu/library/> and click on the link to EBSCOhost. Your user name is your last name and your unique campus ID is 100134000####spst, which is the library (card) barcode followed by spst. After you login, click on EBSCOhost Databases, (for articles the database is EBSCOhost), then click on Atla Religion Database with AtlaSerials PLUS. You can search using the search box or go to the blue menu bar at the top of the page and click on Scriptures to browse to the scripture you are working on.
